Love must be telling me something  
Cant see can't breathe  
Cant get up off my knees  
I don't know what comes over me  
Whenever you come near

Hearts poundin in my chest  
Little voice inside my head  
I can't hear a word it said  
But the feelins loud and clear

Love must be tellin me somethin  
Givin me some kind of sign  
Spellin it out for me,  
Love must be tellin me  
I must be fallin tonight

Well I've been in love and lost  
I swore us one and all  
No matter what the cost  
Gotta learn to live without

No you werent in my plans  
But baby here I am  
I still don't understand  
But I know there ain't no doubt

Love must be tellin me somethin  
Givin me some kind of sign  
Spellin it out for me  
Love must be tellin me  
I must be fallin tonight

No you weren't in my plans  
But now baby here I am  
I still don't understand  
But I know there ain't no doubt

Love must be tellin me  
Love must be tellin me  
Love must be tellin me

Love must be tellin me somethin  
Givin me some kind of sign  
Spellin it out for me  
Love must be tellin me  
I must be fallin tonight

Love must be tellin me somethin  
Love must be tellin me somethin

I must be fallin tonight
