There was a mountain and there were three trees  
There was a good man and there were two thieves  
A man called Barabas was doomed for the tree  
But Jesus took the middle one and Barabas went free

I love that man in the middle  
Because I know he first loved me  
Praise to that man who died on Mount Calvary  
The middle man made it possible that I could go free

A hill called Golgotha the place of a skull  
No yellow flowers, no trees in bloom the scenery was  
so dull  
Three crosses stood black and bold against a  
darkened sky  
If not from pain but a broken heart that middle man  
died

I love that man in the middle  
Because I know he first loved me  
Praise to that man who died on Mount Calvary  
The middle man made it possible that I could go free

I love that man in the middle  
Because I know he first loved me  
Praise to that man who died on Mount Calvary  
The middle man made it possible that I could go free

Praise to that man who died on Mount Calvary  
The middle man made it possible that I could go free
