Like a cloud full of rain shouldn't hang in the sky
Ice shouldn't burn or a bumblebee fly
If you feel so happy, then why do you cry?
Oh nothin' bout love makes sense.

Like an ocean liner shouldn't float on the sea
A pearl in an oyster or a circus of fleas
Someone so perfect can't be falling for me.
Oh nothin' bout love makes sense.

Nothin' bout love is less than confusing
You can win when you're losing, stand when you're
falling
I can't figure it out.
Nothin' bout love can make an equation nothin' short of
amazing
Wish I could explain it
But I don't know how.

The way that we dance, the reason we dream
That big Italian tower, well how does it lean?
Something so strong shouldn't make me this weak
Oh nothin' bout love makes sense.

(Instrumental)

Nothin' bout love is less than confusing
You can win when you're losing, stand when you're
falling
I can't figure it out.
Nothin' bout love can make an equation nothin' short of
amazing
Wish I could explain it
But I don't know how.

Like the lights of Las Vegas glowing out on the sand
A jumbo shrimp or a baby grand
How you're touching my heart when you're holding my
hand
Oh nothin' bout love makes sense
Oh nothin' bout love makes sense
Oh nothin' bout love, makes sense

No no no, oh it don't make sense
