Know all about  
About your reputation  
And how it's bound to be a heartbreak situation  
But I can't help it if I'm helpless  
Every time that I'm where you are  
You walk in and my strength walks out the door  
Say my name and I can't fight it anymore  
Oh I know, I should go  
But I need your touch just too damn much

Chorus  
Loving you isn't really something I should do  
Shouldn't wanna spend my time with you, yeah  
That I should try to be strong  
But baby you're the right kind of wrong  
Yeah, baby you're the right kind of wrong

Might be a mistake  
A mistake I'm making  
But what you're giving I am happy to be taking  
Cause no one's ever made me feel  
The way I feel when I'm in your arms  
They say you're something I should do without  
They don't know what goes on  
When the lights go out  
There's no way to explain  
All the pleasure is worth all the pain

Chorus  
Loving you, yeah, isn't really something I should do  
Shouldn't wanna spend my time with you, yeah  
That I should try to be strong  
But baby you're the right kind of wrong  
Yeah, baby you're the right kind of wrong

I should try to run  
But I just can't seem to  
'Cause every time I run you're the one I run to  
Can't do without what you do to me  
I don't care if I'm in too deep

#### Chorus

Loving you isn't really something I should do  
(Not something I should do)  
I shouldn't wanna spend my time with you  
Well, I should try to be strong  
(I should try to be strong)  
But baby you're the right kind of wrong  
(My kind of wrong)  
Baby you're the right kind of wrong  
Baby you're the right kind of wrong  
Yeah, baby you're the right kind of wrong
