I know all about  
Yeah, about your reputation  
And now it's bound to be a heartbreak situation  
But I can't help it if I'm helpless everytime that I'm  
where you are

You walk in and my strength walks out the door  
Say my name and I can't fight it anymore  
Oh I know, I should go  
But I need your touch just too damn much

Loving you  
Isn't really something I should do  
Shouldn't wanna spend my time with you  
I should try to be strong  
But baby you're the right kinda wrong  
Yeah baby you're the right kinda wrong

It might be a mistake  
A mistake I'm making  
But what you're giving I am happy to be taking  
'Cause no one's ever made me feel the way I feel when  
I'm in your arms

They say you're something I should do without  
They don't know what goes on when the lights go out  
There's no way to explain  
All the pleasure is worth all the pain

Loving you  
Isn't really something I should do (yeah)  
Shouldn't wanna spend my time with you  
I should try to be strong  
But baby you're the right kinda wrong  
Yeah baby you're the right kinda wrong

I should try to run  
But I just can't seem to  
'Cause everytime I run you're the one I run to  
I can't do without  
What you do to me

I don't care if I'm in too deep

I know all about  
about your reputation  
And now it's bound to be a heartbreak situation  
But I can't help it if I'm helpless everytime that I'm  
where you are

You walk in and my strength walks out the door  
Say my name and I can't fight it anymore  
Oh I know, I should go  
But I need your touch just too damn much

Heyyy

Loving you  
Isn't really something I should do  
Shouldn't wanna spend my time with you  
I should try to be strong  
But baby you're the right kinda wrong (right kinda  
wrong)  
Baby you're the right kinda wrong (baby you're the  
right kinda wrong)  
But baby you're the right kinda wrong
