Momma, don't you cry anymore  
I'm not the same girl I was before  
But, you know I'll always be your baby  
But I've found some brand new arms  
And they're gonna rock me

Momma, can't you see my love is turnin'?  
I've got to live these things that I'm learnin'  
You don't have to try and save me  
I'm wrapped up in a dream  
But he's gonna rock me

All night long, he lays where heaven lies  
He takes me on a way to paradise  
And he rocks me in the cradle of love

Momma, don't you remember how it feels?  
Oh, don't you remember?  
My heart and my soul is rollin' like a wheel

Well, I know you think I'm crazy  
Yeah, I'm crazy for the one who wants to rock me  
Yeah, I know you think I'm crazy  
And I'm crazy for the boy who's gonna rock me

Well, he's gonna rock me  
(Cradle of love)  
He's gonna rock me  
(Cradle of love)  
Well, my baby's gonna rock me  
(In the cradle of love)

Well, he's gonna rock me
