I'm sittin' on my porch
And watchin' the flowers bloom
I walk through my front door
Everything is perfect in every room
But something's wrong 'round here
I'm always fighting back the tears
And even when you come home
I still feel all alone

I need you to find me
I'm the one you left behind
I want you to see me
Cuz we're running out of time

You made it look so pretty
Such a beautiful family, such wonderful friends
But how we're going so dirty
I don't know what's real
Cuz it all feels pretend
But something's missing here
I'm always drowning in my fears
I've gotta take care of myself
Before there's left

I need you to find me
I'm the one you left behind
I want you to see me
Cuz we're running out of time

I'm more than just a pretty face
I'm more than just your wife
I have my hopes and my dreams too
This is our song, my love
I need you
I want you
Cuz we're running out of time

I have my hopes and my dreams too, yeah

This is our song, my love

I need you to find me
I'm the one you left behind
I want you to see me
Cuz we're running out of time

I need you, find me
I have no where left to hide
I want you to see me
Cuz we're running out of time.
