Tell me will I ever be the one
To take my hands off the wheel and let it slide
Seems like I've always been the one
That can't sit back and just enjoy the ride
Just enjoy the ride

Feels like I'm on speed train
Blowing through the fast lane
And I gotta chase the high
Oh, I can't shake it, need to break it

Looking for light on rainy days
Needing so much so many ways
Constantly throwing myself in a bind

Oh, I got no time to hesitate
I want it now, why should I wait?
Tired but I just can't be satisfied, be satisfied

If you give me everything I want
I still would try to take a little more of you, oh yeah
Feels like I'm on a countdown

But I'm gonna burn out
If I don't change my point of view
What have I gotta do?
I can't take it need to break it

Looking for light on rainy days
Needing so much so many ways
Constantly throwing myself in a bind

Oh, I got no time to hesitate
I want it now, why should I wait?
Tired but I just can't be satisfied

What is it like on a peaceful day
Just to have you stay, watch the world fade away?
And what is it like to just slow down
Surrender to the sound of nothing else around?

I'm looking for light on rainy days

Needing so much so many ways
Constantly throwing myself in a bind

Oh, I got no time to hesitate
I want it now, why should I wait?
Tired but I just can't be satisfied

Looking for light on rainy days
Needing so much so many ways
Constantly throwing myself in a bind

I got no time to hesitate
I want it now, why should I wait?
Tired but I just can't be satisfied
Be satisfied, yeah, satisfied
