soon baby  
i will cry my last tear  
soon yeah  
i will be over you  
soon darlin'  
all these tears won't be here  
soon yeah

you know that i will be over you soon  
one night baby you won't be in my dreams  
one night yeah  
i'll finally make it through one night darlin'  
i won't call out your name  
i won't be in this place  
soon i will be over you

soon as the mountains turn into rivers  
soon as the sea turns into sand  
soon as the sun comes up at midnight  
that's how soon  
soon all the hurt will end  
until then i'll just pretend  
soon it will be over  
soon yeah  
i keep telling myself i'll be over you  
someday soon

soon as the mountains turn into rivers  
soon as the sea turns into sand  
soon as the sun comes up at midnight  
that's how soon

*[musical break]*

i will be over you baby  
soon yeah  
i will be over you darlin'  
if only in my dreams  
i will be over you  
someday soon  
someday soon

soon oh yeah  
soon
