If I were to untie my tongue
I could use it like a whip and watch you run!
I could show you how its done
We can have a little fun,
Better bring the big guns!

Chorus:

Cause I only got one burning desire
To let the whole town know that youre a dirty little liar
I wont get stuck in your muck and mire, oh yeah, yeah,
yeah, yeah!
You make me wanna spitfire, yeah
Spitfire, spitfire, spitfire!
Spitfire, spitfire, spitfire, yeah, yeah, yeah!

I wish you would think again, but that would be insane
For that youd have to have a brain!
A simple Southern way to say, kiss my behind!
But Ill been tearing you apart with, Sweetie, bless your
heart!

Chorus:

Cause I only got one burning desire
To let the whole town know that youre a dirty little liar
I wont get stuck in your muck and mire, oh yeah, yeah,
yeah, yeah!
You make me wanna spitfire, yeah
Spitfire, spitfire, spitfire!
Spitfire, spitfire, spitfire, yeah, yeah, yeah!

Reckon it's about time that I bury you
Better buy some friends that will carry you
Oh to know you is to love you
You can fight and fuss but I'm fixing to
Spitfire, spitfire, spitfire!

Chorus:

Cause I only got one burning desire
To let the whole town know that youre a dirty little liar
I wont get stuck in your muck and mire, oh yeah, yeah,
yeah, yeah!

You make me wanna spitfire, yeah
Spitfire, spitfire, spitfire!
Spitfire, spitfire, spitfire, yeah, yeah, yeah!
