There is a white flag rising,  
About to catch the wind  
And I don't wanna fight it,  
Or let you win  
Here I stand,  
Heart in hand  
No it ain't like me,  
Don't take it lightly  
You know I never Bend  
*[CHORUS]*  
Surrender  
I'm giving in, givin' up  
Surrender  
Crossing over the line for your love  
If I trust enough,  
Then I might just  
Fall in to forever  
And all Iâ€™ve got to do is Surrender  
I see a white dove flyin,  
The clouds have rolled on past  
And isnâ€™t it surprising,  
I feel the peace at last

Got all I need,  
Surroundin' me  
I'm not afraid to stand up and say,  
I will never leave  
*[CHORUS]*  
Surrender  
I'm giving in, givin' up  
Surrender  
Crossing over the line for your love  
If I trust enough,  
Then I might just  
Fall in to forever  
And all Iâ€™ve got to do is surrender  
*[CHORUS]*  
If I trust enough,  
Then I might just  
Fall into forever  
And all Iâ€™ve got to do,  
All Iâ€™ve got to do

Baby, All IÁ've got to do,  
Is Surrender  
Oh Surrender
