Life can take your dreams and turn 'em upside down
Friends will talk about you when your not around
Reality can really cut you down to size
But don't ever lose that light in your eyes
Don't ever lose that light in your eyes

People make you promises they'll never keep
Soon you'll know why people say talk is cheap
Life resembles one big compromise
But don't that light in your eyes
Don't ever lose that light in your eyes

Keep on shinin'
Keep on smilin'
Don't lose faith and don't lose heart
When your crying, just keep trying to remind yourself,
you're a shinin' star
Yes you are

Somewhere down the line you'll face the judgement
day
When the angels look at you, well, what will you say

They've got a way of knowin' who qualifies
Just let me see that light in your eyes
Don't ever lose that light in your eyes

Keep on shinin'
Keep on smilin'
Don't lose faith and don't lose heart
When your crying, just keep trying to remind yourself,
you're a shinin' star
Yes you are

Don't ever lose (Don't ever lose)
That light in your eyes
Don't ever lose that light in your eyes
Don't ever lose (Don't ever lose that light in your eyes)

(Fade out)
