

## Leann Rimes "Tic Toc"

Visit "[Tic Toc](#)" on MotoLyrics.com

Come inside my walls of ecstasy with me  
Close the door and throw away the key  
That's the way you can start by moving in nice and slow  
Takin' your time to move down low  
'Cause everything you do is everything I need  
Lights are low, so here we go, let's get busy

Tic toc, hands on the clock  
Time to make my body rock  
Move with me, you get me  
So hot that I can't stop

Tic toc, you got the spot  
Here I come, ready or not  
Move with me, you get me  
So hot that I can't stop

Tic toc, tic toc, baby  
Tic toc, tic toc, baby

You opened up my world to paradise  
So nice, feels so good, my body liquefies  
When you touch me, I lose control and start to shake  
Your love is so good, I ain't gotta fake  
'Cause everything you do is everything I like  
The plot thickens, time's tickin', you're my toy tonight

Tic toc, hands on the clock  
Time to make my body rock  
Move with me, you get me  
So hot that I can't stop

Tic toc, you got the spot  
Here I come, ready or not  
Move with me, you get me  
So hot that I can't stop

Tic toc, tic toc, baby  
Tic toc, tic toc, baby

Tic toc, the clock keeps on tickin'  
Hurry up before it gets too late

Tic toc, the clock keeps on tickin'  
Hurry up before it gets too late

A little to the left  
A little to the right  
A little bit longer  
All the way tonight

I close my eyes, my body tenses  
Boy, your touch hits all my senses  
Don't stop, come on, I'm almost there

In the middle of the night, reality stops  
And I'm suspended in your arms  
As I melt from your touch

Tic toc, hands on the clock  
Time to make my body rock  
Move with me, you get me  
So hot that I can't stop

Tic toc, you got the spot  
Here I come, ready or not  
Move with me, you get me  
So hot that I can't stop

Tic toc, hands on the clock  
Time to make my body rock  
Move with me, you get me  
So hot that I can't stop

Tic toc, you got the spot  
Here I come, ready or not  
Move with me, you get me  
So hot that I can't stop

Tic toc, tic toc, baby  
Tic toc, tic toc, baby
