Wasted days and wasted nights,
I have left for you behind
for you don't belong to me,
you belong to someone else.

Why should I keep loving you,
when I know that you're not true?
And why should I call your name,
when you're to blame
for making me blue?

Chorus:
Don't you remember the days
that you went away and left me,
I was so lonely,
I prayed for only you, my love.

when I know that you're not true?
And why should I call your name,
when you're to blame
for making me blue?

Chorus:
Don't you remember the days
that you went away and left me,
I was so lonely,
I prayed for only you, my love.

Why should I keep loving you,
when I know that you're not true?
And why should I call your name,
when you're to blame
for making me blue?
