Oh my love what have I done?
Oh my love what have I done?

I shot an arrow in your heart that
I can't take back
When I said, "You were my first love
But you are not my last."

For far too long I hid my face
I fed off your forgiving grace
Well I know your pride it must've
Took a beating
When I used your love to rob your freedom
What have I done?

Oh what have I done?
What have I done?
There's a hurt in me I don't understand
What have I done?
What have I done?
I broke the sweetest heart of the only one
That's ever loved me

I don't know what I've become
I need to get back to where I'm from
I'm gonna smash every mirror in this empty house
'Cause like you I don't wanna see myself

Oh what have I done?
What have I done?
There's a hurt in me I don't understand
What have I done?
What have I done?
I broke the sweetest heart of the only one
That's ever loved me

I hope you find someone new
Someone who's worthy of you
Oh when you look back and I know you will
I hope you find a little good in me still
'Cause I loved you enough to let you
I'll always regret

I hope you know
What I have done

Oh what have I done?
What have I done?
There's a hurt in me I don't understand
What have I done?
What have I done?
I broke the sweetest heart of the only one
That's ever loved me

Oh my love what have I done?
Oh my love what have I done?
