I know what makes me comfortable  
And I know what makes me tick  
And when I need to get my way  
I know how to pour it on thick  
Cream and sugar in my coffee  
Right away when I awake  
I face the day and pray to God  
I won't make the same mistakes

All the rest is out of my hands  
I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can

Yeah I don't know my father  
Or my mother well enough  
It seems like everytime we talk  
We can't get past the little stuff  
The pain is self-inflicting,

I know it's not good for my health  
But it's easier to please the world  
Than it is to please myself

All the rest is out of my hands  
I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can

Right now I can't care about how everyone else really  
feels  
I have enough hurt of my own to heal

I will learn to let go what I cannot change  
I will learn to forgive what I cannot change  
I will learn to let go what I cannot change  
I will learn to forgive what I cannot change

I will learn to love what I cannot change  
But I will change, I will change  
Whatever I, whenever I can
