Meet me for breakfast on an airplane
We'll crash a party for the Queen of England
Show me what what you've got in the parking lot
Until we get caught

We can do it if we wanna
Let's go mad+
No one's ever gonna stop
The fun we'll have

Let them stop and stare, they must think we care
But all I see is you
We can do it if we wanna, gonna do
Whatever we wanna

Strip down to nothing in the ocean
Buy every bottle of Crystal in San Trope
Pass it all around till the sun goes down
And we hit the ground

We can do it if we wanna
Let's go mad+
No one's ever gonna stop
The fun we'll have

Let them stop and stare, they must think we care
But all I see is you
We can do it if we wanna, gonna do
Whatever we wanna

Whatever we wanna
Whatever we wanna, gonna do

Let them stop and stare, they must think we care
But all I see is you

We can do it if we wanna
Let's go mad+
No one's ever gonna stop
The fun we'll have

Let them stop and stare, they must think we care

But all I see is you
We can do it if we wanna, gonna do
Wanna, gonna, wanna, gonna do
Whatever we wanna

Whatever we wanna
Whatever we wanna
Whatever we wanna
