I rushed home from work like I always do
I spend my whole day just thinking of you
When I walked through the front door my whole life was
changed
'Cause nobody answers when I called your name

Oh, the lonely sound of my voice calling
Is driving me insane
Oh, and just like rain, the tears keep falling
But nobody answers when I call your name

A note on the table that told me goodbye
It said you'd grown weary of living a lie
Your love has ended but mine still remains
Nobody answers when I call your name

Oh, the lonely sound of my voice calling
Is driving me insane, driving me crazy
Oh, just like rain the tears keep falling
But nobody answers when I call, when I call your name

Oh, the lonely sound of my voice calling
Is driving me insane, it's driving me crazy
And just like rain the tears keep falling
Nobody answers when I call, when I call your name
