When You Love Someone Like That

Duet by Reba McEntire and LeAnn Rimes

Verse 1

LeAnn

I think it was me it must have been me
I guess I did something wrong
I tried too hard
Wanted too much
I guess that's why it's gone
I lost my pride, I falled and cried
I felt like a little kid
What's wrong with me?
Still can't believe
I did the things I did

Bridge1

I couldn't change him
He was gonna break my heart
I saw it comin
Yeah I knew it from the start

Chorus

When you love(when you love)
When you love someone like that,when you give what
you can't take back
When you love(when you love)
With all your heart and soul, it's so hard to let it go
When you love someone like that

(when you love someone like that)

Verse2

Reba

Girl it aint right, it just aint right
Don't tell yourself that it was you
You followed your heart,you gave it your best
There's nothin more you can do
Guys like him are like the wind
And you know it's just too bad
They blow in and out again and never know what they

had

Bridge2

Girl I can tell ya

He'll do the same to someone else it aint about you

So don't be so hard on yourself

chorus

Bridge 3-----

Reba: oh we've all loved and lost

It's happened to us all

LeAnn: I hear what you're sayin but I feel like the only
one

Reba: You might feel right but you're not

You're alright (I'm alright)You're ok(I'm ok)

You're gonna make it anyway(both)

chorus
