How do I
Get through one night without you?
If I had to live without you
What kind of life would that be?

Oh, I need you in my arms, need you to hold
You're my world, my heart, my soul
If you ever leave, baby
You would take away everything good in my life

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh, how do I live?

Without you, there'd be no sun in my sky
There would be no love in my life

There'd be no world left for me
And I, baby I don't know what I would do
I'd be lost if I lost you, if you ever leave, baby
You would take away everything real in my life

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh, how do I live?

Please tell me, baby, how do I go on
If you ever leave, baby?
You would take away everything
I need you with me, baby
Don't you know that you're everything
Good in my life?

And tell me now, how do I live without you?
I want to know, how do I breathe without you?
If you ever go, how do I ever, ever survive?
How do I, how do I, oh, how do I live?

How do I live without you?
How do I live without you, baby?

How do I live?
