Under the love of sky, gonna be with you
And no one's gonna be around
If you think that you won't fall
Well, just wait until, till the sun goes down

Underneath the starlight, starlight
There's a magical feeling so right
It will steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know but you know
That you can't fight the moonlight

Deep in the dark, you'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it, it's gonna get to your heart

There's no escape from love
Once a gentle breeze
Weaves a spell you're hard to hide
No matter what you think

It won't be too long till you're in my arms
Underneath the starlight, starlight
We'll be lost in the rhythm so right
Feel it steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know, but you know
That you can't fight the moonlight

Deep in the dark, you'll surrender your heart
But you know but you know that you
Can't fight the moonlight, no
You can't fight it, no matter what you do

The light is gonna get to you
Don't try, you're never gonna win, oh

Underneath the starlight, starlight
There's a magical feeling, so right
It'll steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know but you know that you
Can't fight the moonlight

Deep in the dark, you'll surrender your heart
But you know, but you know that you
Can't fight the moonlight
No, you can't fight it

You can try to resist
Try to hide from my kiss
But you know, don't you know
That you can't fight the moonlight

Deep in the dark, you'll surrender your heart
But you know but you know that you
Can't fight the moonlight
No, you can't fight it

It's gonna get to your heart
