I know all about
Yeah, about your reputation
And now it's bound to be a heartbreak situation
But I can't help it if I'm helpless everytime that I'm
where you are

You walk in and my strength walks out the door
Say my name and I can't fight it anymore
Oh I know, I should go
But I need your touch just too damn much

Loving you
Isn't really something I should do
Shouldn't wanna spend my time with you yeah
I should try to be strong
But baby you're the right kinda wrong
Yeah baby you're the right kinda wrong

It might be a mistake
A mistake I'm making
But what you're giving I am happy to be taking
'Cause no one's ever made me feel the way I feel when
I'm in your arms

They say you're something I should do without
They don't know what goes on when the lights go out
There's no way to explain
All the pleasure is worth all the pain

Loving you
Isn't really something I should do (yeah)
Shouldn't wanna spend my time with you

I should try to be strong
But baby you're the right kinda wrong
Yeah baby you're the right kinda wrong

I should try to run
But I just can't seem to
'Cause everytime I run you're the one I run to
I can't do without
What you do to me

I don't care if I'm in too deep (yeah)

I know all about
about your reputation
And now it's bound to be a heartbreak situation
But I can't help it if I'm helpless everytime that I'm
where you are

You walk in and my strength walks out the door
Say my name and I can't fight it anymore
Oh I know, I should go
But I need your touch just too damn much

Heyyy

Loving you
Isn't really something I should do
Shouldn't wanna spend my time with you
I should try to be strong
But baby you're the right kinda wrong (right kinda
wrong)
Baby you're the right kinda wrong (baby you're the
right kinda wrong)
But baby you're the right kinda wrong
