It was night and suddenly I felt like dancing
I took a cab to show me to the disco scene
He said: o.k., you wanna see those crazy. people
Hastling at the door to get into Studio 54
Well, I was in and everybody was "travolting"
The fashion queens, the models and the movie stars
Andy snapping, Margaux dancing with Scavulio,
Liza dancing on the floor and Bianca walking through
the door
Who is in' Who is out?
Tell me, tell me, tell, I me
Who is in? Who is out?
Famous and trendy.
"In" people always have to smile in Vogue
They only travel by Concorde
Doing things you can't afford
They are the fashion pack
People you see in the magazines
They are the fashion pack
They're always smiling in their limousines
They only come out after dark
Got to keep on their trendy track
They are the fashion pack
In Paris you got to be seen at Maxim's
The Palace, the -7- and then go Chez Regine
Champagne, caviar, haute-couture, expensive cars
Saint Laurent and Loulou
Rich ladies with a few bijoux
Who is in? Who is out?
Tell me, tell me, tell me
Who is in? Who is out?

Woman's Wear Daily
Rock stars sniffing
While Marisa's posing
Paloma's counting her paintings
The models of Zoli flirting
They. are the fashion pack
People you see in the magazines
They. are the fashion pack
They're always smiling in their limousines
They only come out after dark

Got to keep on their trendy track
They are the fashion pack
They are the fashion pack
They read a lot of silly magazines
Like to sit around gossiping
In the back of their limousines
They are the fashion pack
People you see in the magazines
The). are the fashion pack
They only come out after dark
Got to keep on their trendy track
They are the fashion pack
Hey. what's your name
Didn't I see you in Interview last month
Or was it the Ritz
Gee, You're so famous
May I have your autograph
