Another World  
All the lives are washed  
Away by bloodshed  
No one's left  
To take away the dead  
Rats will chew the bones  
Of those who crumbled  
Death will roam this land  
So black and cold  
Heartless people sucks  
Out all the life-force  
Left in those who fight  
With no remorse  
Truth will be defeated  
By the madmen  
Truth is strangled  
By the insane

Another world  
A different world

Will we see destruction  
Of our own fate  
Can we stop  
Before it's too late  
If you are a witness  
To the slaughter  
You will be the one  
Who holds the sword

We need a another world
