The hardest part is the walking away  
And turning your back on what you thought was a safe  
place  
The easy bit it is the starting again  
It's even easier to make the same mistake  
In dark cloudless sky it was closing time  
Tomorrow lies well it's a little bit like the blue sky  
Cloudless sky it's closing time now to moralies  
You go straight in that the shallow end  
And ambulance chasing is a good it's a good good  
game  
Embroiled in jury just to justify  
A lack of any kind of planning that in fog rainy day  
In dark cloudless sky it's closing time  
Tomorrow lies well it's a little bit like the blue sky  
Cloudless sky it's closing time as a moralies  
In dark cloudless sky it is closing time  
Tomorrow lies it's a little bit like the blue sky  
Cloudless sky it is closing time and tomorrow lies  
Well it's a little bit like the blue sky
