I'm a warmblooded stereotype with built in faults that  
are brithright  
And be brash bold beautiful be clean and cold clear  
cold and uptight  
Wax lyrical satirical wax lyrical  
And open your mouth to move your feet  
And open your heart if it is for surgery  
And open your mouth to move your feet  
And open your heart if it is for surgery  
You open your mouth to move your feet  
You open your heart if it's for surgery if it's for surgery  
And I would bemoan rather than be phoned  
And I'm as happy here as I would be over there  
Like my hair is beyond repair you can look you can look  
just don't stare  
Wax lyrical satirical wax lyrical  
And open your mouth and there's your feet  
And open your heart if it is for surgery
