Revenge!
Revenge!
Revenge!
Revenge!

Killed my hopes (Revenge!)
Called me names (Revenge!)
Broke my jaw (Revenge!)
It's always the same (Revenge!)

Nobody listens
Nobody listens
Nobody listens
There's no escape

I'm just like you
Gave you everything
Nobody loves me
It's making me insane

Killed my hopes (Revenge!)
Called me names (Revenge!)
Broke my jaw (Revenge!)
It's always the same (Revenge!)

Nobody listens
Nobody listens
Nobody listens
Nobody listens

Why do you all hate me
Everyone's against me
Mommy don't care
Daddy cant help

Made it hell
Everyday
Called me names
I wanna die
Maybe I can find
A way to make you all
Go away

I never lied
Never cried
Never fell
Never crawled
I'm just like you
Now you'll pay
With your fucking life.

Went to dad's closet
I picked up his .45
Grabbed 3 boxes of bullets
And on my hip they shall reside..
Until I opened the gym doors
You should have seen those fucks run
I poured out a full clip
In their backs I got some
I've finally found my smile
It's pure and blood stained
So who's the bitch now?
I'll paint the lockers with your brains

Nothing can help this fucking pain in my heart
Nothing compares to this pain in my heart
Nothing can take away this pain in my heart
But your blood on my hands,
Well at least it's a start
