Revenge!
Revenge!
Revenge!
Revenge!
Killed my hopes(revenge)
Called me names(revenge)
Broke my jaw(revenge)
It's always the same(revenge)

Nobody listens
Nobody listens
Nobody listens
Theres no escape

Im just like you
Gave you everything
Nobody loves me
Its making me insane

Killed my hopes(revenge)
Called me names(revenge)
Broke my jaw(revenge)
It's always the same(revenge)

Nobody listens
Nobody listens
Nobody listens
Nobody listens

Why do you all hate me
Everyones against me
Mommy dont care
Daddy cant help

Made it hell everyday
Called me names
I wanna die
Maby i can find
A way to make you all

Go away
I never lied, never cried

Never fell, never crawled
Im just like you
Now you'll pay
With your fucking life

Went to dads closet
I picked up his 45
Grabbed 3 boxes of bullets
And on my side they shall reside
Until i open the gym doors
You should have seen those fucks run
I poured out a full clip
In there backs i got some
Iv finally found my smile
It's pure and blood stained
So who's the bitch now?
I'll paint the lockers with your brains

Nothing can help this fucking pain in my heart Nothing
compairs to this pain in my heart
Nothing can take away this pain in my heart
But your blood on my hands
Well atleast its a start
