This is for the kids who aint got no soul  
Never think twice got nowhere to go  
This is for the pills that never fuckin work  
\*\*When I'm done I taste blood on a black t-shirt.

Never understand we're never understood.  
Were livin in a fight in a white, white room.  
\*\*Tell me who I am now boy I'm playing fuckin high.

Life is a fight,  
Life is a fight,  
Life is a fight,  
Life is a fight, fight, go.

\*\*I was never good at anything and I never fuckin care.  
\*\*The reason why I'm dead is because your never  
fuckin here!  
Maybe before the show

This is for the kids who aint got no soul  
Never think twice got nowhere to go  
This is for the pills that never fuckin work  
\*\*When I'm done I taste blood on a black t-shirt.

Life is a fight,

Life is a fight,  
Life is a fight,  
Life is a fight, fight, fight.

\*I'm never fed up and felt that thick,  
I've never met that one who gave a shit.  
We've gotta believe in fucking what we got.  
Now we've got it, just shut it off

\*I'm never fed up and felt that thick,  
I've never met that one who gave a shit.  
\*\*we've spent these days feeling numb  
Now we've got it, just shut it off

\*I'm never fed up and felt that thick,  
I've never met that one who gave a shit.

We've gotta believe in fucking what we got.  
Now we've got it, just shut it off

You'll never take me alive  
Because I'm already dead  
You'll never take me alive  
Because I'm already dead  
You'll never take me alive  
Because I'm already dead inside.
