"Bad Moon Rising"

I see a bad moon rising
I see trouble on the way
I see earthquakes and lightning
I see a bad time today

Don't go out tonight
It's bound to take your life
There's a bad moon on the rise

I see hurricanes a-blowing
I know the end is coming soon
I feel the rivers overflowing
I hear the voice of rage and ruins

Don't go out tonight
It's bound to take your life
There's a bad moon on the rise
There's a bad moon on the rise

Hope you have got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for a lie

Don't go out tonight
It's bound to take your life
There's a bad moon on the rise
Oh Don't go out tonight
It's bound to take your life
There's a bad moon on the rise
There's a bad moon on the rise
It's coming, it's coming, it's coming
There's a bad moon on the rise
Bad moon bad moon bad moon
There's a bad moon on the... rise!
