Lying here dying in a pool of blood  
Dungeons and dragons death from above  
Imprisoning in virtuality stop my addiction  
No more lives to waste I can't lose  
It should be criminal Â– no I'm not your prisoner

We are the mindless  
Senseless and vacant  
We are the violence  
Blank and unconscious  
Disconnect

Evil toys animated crimes  
Increasing my death toll in a race against time  
Immortality who's the new enemy  
Simulated self destruction  
Total self combustion once more  
It should be criminal Â– no, I'm not a prisoner

We are the mindless  
Senseless and vacant  
We are the violence  
Blank and unconscious  
Disconnect

Disconnect Â– only one way to break free  
Disconnect Â– can't you see what you are doing to me  
Disconnect Â– only one way to break free  
Disconnect Â– can't you see what you are doing to me

We are the mindless  
Senseless and vacant  
We are the violence  
Blank and unconscious  
We are the mindless  
Senseless and vacant

Disconnect my mind from me. Disconnect my mind  
from me.  
Disconnect my mind from me. Disconnect my mind  
from me.  
Disconnect my mind from me. Disconnect my mind

from me.
