Call to arms
Prepare to fight
Save your gun
Raise your flag
To your reach
Oh practice what you preach

Live it raw
Live it raw
Live it raw
Not for war

The night is still
The air is thick
The moon is full
Now's the time
To take your aim
And end this cold war game

Live it raw
Live it raw
Live it raw
Not for war
Live it raw
Place the blame
Live it raw
Inject and tame
Live it raw
For you and me no more

Call to arms
Prepare to fight
Save your gun
Raise your flags
To your reach
Oh practice what you preach

Live it raw
Live it raw
Live it raw
Not for war
Live it raw

Place the blame
Live it raw
Inject and tame
Live it raw
For you and me no more
