I rule the land of the unknown  
The underground my only home  
Know me the cryptic king  
I can get you anything  
I know I'm vicious off the chain  
Evil world is where I reign  
My chaos multiplies  
No one here gets out alive

You won't turn me down

I keep an Uzi under my front seat  
The competition's buried six feet deep  
Dirty cops on the take getting paid by me

I am the law!  
Run with the cryptic king  
I am the law!

Buying lives and selling souls  
Like the serpent days of old  
Temptation leads the way  
Keeping me alive  
I know I'm vicious off the chain  
Evil world is where I reign  
My chaos multiplies  
No one here gets out alive

I keep an Uzi under my front seat  
The competition's buried six feet deep  
Dirty cops on the take getting paid by me

I am the law!  
Run with the cryptic king  
I am the law!  
Run with the cryptic king

I am the law!  
Run with the cryptic king

I keep an Uzi under my front seat  
The competition's buried six feet deep

Dirty cops on the take getting paid by me

I am the law!  
Run with the cryptic king  
I am the law!  
Run with the cryptic king  
I am the law!  
Run with the cryptic king
