Yeah

My eyes roll back in my head
I can't believe I still remain here
King of the ward, king of the ward
No soul don't try to save me
I'm way beyond repair

Inside runs a common thread
Menageries are all contained here
King of the ward, king of the ward
No soul don't try to save me
I'm way beyond repair

I'm not perfect I confess
I'm no different than the rest
It's myself that I've denied
I think it's time I should fly
And leave this world behind

King of the ward
No soul don't try to save me
King of the ward, king of the ward
No soul don't try to save me
I'm way beyond repair
Don't try to save me
I'm way beyond repair

I'm not perfect I confess
I'm no different than the rest
It's myself that I've denied
I think it's time I should fly
And leave this world behind
And leave this world behind!

Now watch me touch the sky!

I'm not perfect I confess
I'm no different than the rest
It's myself that I've denied
I think it's time I should fly
And leave this world behind

I think it's time I should fly
And leave this world behind
I think it's time I should fly
And leave this world behind
