"Rise Or Fall"

Once upon this night we'll free homeland
Storming all the houses stained blood red
Touched by the knife, end to the throne
Crowned just like the king's image carved in stone

Thy Kingdom come, thy will be done
For all will come
And unto thee a silent scream
Shall call Rise or Fall

Legendary reign, I question fate
Glyation's domination turned love to hate
Another king and queen fought to be heir
An empire's final dream comes to an end

Thy Kingdom come, thy will be done
For all will come
And unto thee a silent scream
Shall call Rise or Fall

Thy Kingdom come, thy will be done
For all will come
And unto thee a silent scream
Shall call Rise or Fall
