When I walk to the Valley of Death  
I fear no evil  
The dark shadows hanging over my head  
Cast a doubt with a wink of an eye

You won't catch me running from you  
Cause I always keep you in my view  
The blackened pose is the house of the night  
She might find it, how about you?

Don't stop me by taking a rest  
I feel my wheels  
The full moon gives me all the help  
The wolf on the prowl tonight

I couldn't hear but from the town below  
To me nothing I don't already know  
Is this danger that weilds the wager  
Your way to get to the show

I'm not afraid of what I may not be  
See me take it if you give me a chance  
See me do it, see me do it  
Say I can't do that, gonna do what you say I can

Don't stop me by taking a rest  
I feel my wheels  
The full moon gives me all the help  
The wolf on the prowl tonight

I like to get around  
No one's gonna slow me down  
The ace of spades is my lucky card  
Better buy me a drink, better make it hard

Take a chance

When I walk to the Valley of Death  
I fear no evil  
Dark shadows hanging over my head  
Cast a doubt with a wink of an eye

You won't catch me running from you  
Cause I always keep you in my view

The wolf on the prowl tonight

I like to get around  
No one's gonna slow me down  
The ace of spades is my lucky card  
Better buy me a drink, better make it hard

Take a chance

(Take a chance)  
Go all the way  
(Take a chance)  
No one can stop me way  
(Take a chance)  
That's what I want, yeah

(Take a chance)  
Don't walk away  
(Take a chance)  
Nothing stop me now  
(Take a chance)  
That's what I want, yeah
