We hear the sound of a distant chant
And hope someday we can
Look through the eyes of those Å- of those who dared
I wish you were here

Hear me calling
Drowned in the rhyme on the piper's tune
Shadows falling
Like the rain on the midnight sun
Hear me calling out
Nowhere to run

In search of the fame for the fortune it hides
You cannot buy, you cry for the moon
You're never gonna live forever
It's do or die and I still need you

Hear me calling
Drowned in the rhyme on the piper's tune
Shadows falling
Like the rain on the midnight sun
Hear me calling out
Nowhere to run

Do you hear the sound of a distant chant?
Do you hope that some day you can
Look through the eyes of those Å- of those who dared
I wish you were here

Hear me calling
Drowned in the rhyme on the piper's tune
Shadows falling
Like the rain on the midnight sun
Hear me calling out
Nowhere to run

Hear me calling
Drowned in the rhyme on the piper's tune
Shadows falling
Like the rain on the midnight sun
Hear me calling
I wish you were here

Shadows falling
Hear me calling
