While kilns burn there's a witch in my thoughts
Turning the pages until the page is taught
Speaking in tongues there's a price (There's a price)
A monster our table is a blade spot in time

Ooh-ooh

Your wicked ways
And the lives you touch
The stars they say
You feel so much
Your dreams come true
Is the truth the dream?
Things aren't always
What they seem to be

Wicked ways
Will never change
Your wicked ways
Can't be tamed

Down by the hand took a second belief
I can turn in your last brain life is one too big
Oh close your eyes, our eyes to rest (Eyes to rest)
So is best as they can they put the powers to test

Ooh-ooh

Your wicked ways
And the lives you touch
The stars they say
You feel so much
Your dreams come true
Is the truth the dream?
Things aren't always
What they seem to be

Your wicked ways
Will never change
Your wicked ways
Can't be tamed

Remember the stories of the days of Salem
Remember the trials and the tribulations
Always with wings and for a true conviction
Always a season for a crucifixion

The stroke of midnight is the witching hour
The perfect time for a special power
A black is magic, your wicked ways
Witches of Salem continue today

Yow!

Wicked ways
Will never change
Wicked ways
Can't be tamed

Wicked ways (Whoa)
Wicked ways
Wicked ways (Whoa-oh)
Wicked ways
Wicked ways (Whoa-oh)
Wicked ways (Whoa)

Wicked, wicked ways
