Why don't you feel me?  
Why can't I hold your hand?  
Never said that you'd leave me  
And I know you are somewhere

I held you up  
Every time you were down~  
Your crying stopped  
When I was around.. but..

Why don't you love me?  
Enough to stay with me  
Now tell me truly  
Was it there in your heart too?  
All that I'm left with  
Is a dream of me and you

I held you up  
Every time you were down~  
Your crying stopped  
When I was around.. but..

You filled my soul  
With your beauty and with hope  
We're different although  
We were just like water in sand

Why don't you feel me?  
Why can't I hold your hand  
You never said that you'd leave me  
And I know you are somewhere

I held you up  
Every time you were down~  
Your crying stopped  
When I was around

I held you close  
When you fell to the ground  
And now you've torn all my hopes apart  
You could have said good-bye
