You are a wandering shining star  
You light up the sky you take me so far (take me far)  
One crystal inside my lonely heart  
You light up my life I embrace your light (you're my  
light)

You're my healer  
I am lovelorn  
In the cool breeze I hear your sweet voice  
I'm your treasure  
I am forlorn  
In the rain I feel your warm tears

I can't forgive God and myself  
I should have been there to give you strength (be your  
strength)  
One kingdom below the dark blue sea  
Hides my lovely Amelie  
I love you Amelie

You're my healer  
I am lovelorn  
In the cool breeze I hear your sweet voice  
I'm your treasure  
I am forlorn  
In the rain I feel your warm tears

(Ahhhhhhhhhhhh~)

Lovelorn, you are gone  
(Lovelorn, lovelorn, lovelorn, lovelorn)  
Where is your (where is your)  
Lovelorn, you are gone (lovelorn, lovelorn, lovelorn)  
Where is your (where is your)  
Lovelorn, you are gone (lovelorn, lovelorn, lovelorn)

You are my healer  
I am lovelorn  
In the cool breeze I hear your sweet voice  
I'm your treasure  
I am forlorn

In the rain I feel your warm tears.
