I hope that he will be safe
Hopefully return in April
I've heard the winds speak of a fight
And it hit my heart like a thorn
(Thorn!)

Whispering voice appear
I can't escape what I feel
All I can see
All I believe in
Is connected to our kindred souls

I feel the thorn in my flesh
The pounding of blood in my head
I cry aloud
I cry of anger
My enemy will never forget me

I heard you calling my name
I saw your colourless face
Fire in your eyes
Where do you go to?
I dreamt of an enemy threatening you

I feel the thorn in my flesh
The pounding of blood in my head
I cry aloud
I cry of anger
My enemy will never forget me

I feel the thorn in your flesh
The pounding of blood in your head
You cry aloud
You cry of anger
Your enemy will never forget you

Hold me
Breathe with me
Until the end of time

I feel the thorn in my flesh

The pounding of blood in my head
I cry aloud
I cry of anger
My enemy will never forget me

I feel the thorn in your flesh
The pounding of blood in your head
You cry aloud
You cry of anger
Your enemy will never forget you
