some days make me feel so crazy
even though i fake it, im not sure ill make it
cuz there is something like in
i cant make things happen
i cant make things work right,
even though i try hard

and i just keep on takin,
deeper when im thinking,
what i could be feelin,
i dont really care...

[chorus]

cuz i cant tell u lately, have you seen the baby,
runnin around so crazy, losin my head maybe,
makes me feel alright, yea, yea.
makes me feel alright, yea, yea, yea.

some how ill get around this corner, ill make it my own
way now,
i should of tried a payphone, cuz there is something
missing,
i cant make things happen,
i cant make things work right,
even though i try hard,

and i just keep on taken
deeper when im thinking
what i could be feelin
i dont really care...

[chorus]

cuz i cant tell u lately, baby u seen the baby,
runnin around so crazy, losin my head maybe,
makes me feel alright, yea, yea.
makes me feel alright, yea, yea, yea.
