A Winter's Poem

One million crystals on the outside of my window  
One single thought, a thought of missing you  
But only one word from within me  
Describes the thought without of you

Ice feathers on my window  
Reveal a single thought  
A painting of your eyes  
Is a sign that you do know

One million crystals  
Not enough to page your beauty  
Beauty of your soul  
300 days I counted  
Almost a year,  
A mere of missing you

Ice feathers on my window  
Reveal a single thought  
A painting of your eyes  
Is a sign that you do know

Once again waters change  
Winter spell comes to life again

Ice feathers on my window  
Reveal a single thought  
A painting of your eyes  
Is a sign that you do know

Ice crystals on my window  
Hide frozen life inside  
Ice storm outside these walls  
But I feel my heart is warm
