Frøya's eyes,  
Blue her eyes  
Gold of hair  
A maiden so fair

Her skin so pure  
Splendid and slim  
Goddess of love  
Brightened and white  
Goddess of love  
Brightened and white

Eigandi valfalls  
Home of the slain  
Eigandi valfalls  
Home of the slain  
Gave her heart to the sun  
To the sun

Wandering eyes... of a man  
Leaving her... beauty counts  
A journey of... no return  
To the ends... of the worlds

Tears running across her face  
Turning oh so pale  
Red tear-drops striking the earth  
Like stones of gold

Lost in despair

I'm drowning in sorrow  
She cast a shadow upon the earth  
Showing no fear  
Never ending fire

Frøya's eyes,  
Sore her eyes  
Of golden tears  
A heart so torn

Wandering eyes... of a man

Leaving her... beauty counts  
A journey of... no return  
To the ends... of the worlds

Tears running across her face  
Turning bright like pearls  
There she found him under a tree  
They rose as one

Like the phoenix  
Out of the ashes  
She cast a shadow upon the earth  
Endlessly waiting  
His goddess appeared  
They rose as one into her halls
