I've heard your song
And I've seen the light
In your eyes and it
Took me so long to see
Straight through the night
And through you
ahhh~

You're the depths of my own mind
And you're the heights of my creation
Wait for me, wait for me

Alone but strong when you're in my sight
Your love hit me like a stroke
Take me with you
Take me with you

Take me to that place (Ahhh)
Where I feel so safe (Aaah~)
Into your light I dive (Into your light)
Take me to that place (Ahhh)
Where I feel so safe (Aaah~)
Into your light I dive

I've taken this step
And we're intimate now and I am
I am joining your world
A formation of love and you shine
Through me

You're the depths of my own mind
And you're the heights of my creation
Wait for me, wait for me

Alone but strong when you're in my sight
Your love hit me like a stroke
Take me with you

Take me with you

Take me to that place (Ahhh)
Where I feel so safe (Aaah~)

Into your light I dive (Into your light)
Take me to that place (Ahhh)
Where I feel so safe (Aaah~)
Into your light I dive

Into your light~
Enter my mind~
Into your light~
Enter my mind~

Mermaid medium of light
For the morning that comes
For the orchid that grows
Love me against all odds
You defeated the doubt
That was stuck inside me

Take me to that place (Ahhh)
Where I feel so safe (Aaah~)
Into your light I dive (Into your light)
Take me to that place (Ahhh)
Where I feel so safe (Aaah~)
Into your light I dive

Into your light I dive~
Into your light I dive~
