Inside~

I feel life (Aaah~)

I rise~

Into your light (Aaah~)

I rise and leave the dream behind

I'm returning to life

Returning to life (Ooh~)

By the sound of your voice

And the love that you give

I see - I have found~

How deep my roots have grown

I rise and leave the dream behind

I'm returning to life

Returning to life (Ooh~)

By the sound of your voice

And the love that you give

I'm returning to life

Returning to life (Ooh~)

By the sound of your voice

And the love that you give

Your arms open

I'm devoted

In sunshine and shadow

You love and protect me

I'm returning to life

Returning to life (Ooh~)

By the sound of your voice

And the love that you give

I'm returning to life

Returning to life (Ooh~)

By the sound of your voice

And the love that you give

I'm returning to life

I am back in your arms
Mother you give me hope
When I'm cold and alone

I'm returning to life
I am back in your arms
Mother you give me hope
When I'm cold and alone
