Return To Life

Inside I feel life (aaah...)
I rise into your light (aaah...)

I rise and leave the dream behind
I'm returning to life
Returning to life (ooh...)
By the sound of your voice
And the love that you give

I see - I have found
How deep my roots have grown
I rise and leave the dream behind

Your arms open
I'm devoted
In sunshine and shadow
You love and protect me

I'm returning to life
I am back in your arms
Mother you give me hope
When I'm cold and alone
