I opened my eyes
And greeted the new day
I follow your path way
To the secret of my pains

Free me from these unsafe grounds
(Oh ho ho ho ho~)
Secret tell me where did she drown
(Oh ho ho ho ho~)

I'm moving away
But captured in your chains
I saw you in those waves
Those eyes, such pain

Can you..
Free me from these unsafe grounds
(Oh ho ho ho ho~)
Secret tell me where did she drown
(Oh ho ho ho ho~)

My heart knows
My mind knows
I am torn

My mind knows
When you're gone
I'm forlorn

(Ohhhhhhhhhhhhhhhhhhhhh~)

Can you..
Free me from these unsafe grounds
(Oh ho ho ho ho~)
Secret tell me where did she drown
(Oh ho ho ho ho~)
