

Leaves' Eyes "Twilight Sun"

Spring is calling
Time to leave
The winds have told me
She's waiting for me

Hear the tune
Of northern winds

Twilight sun
Will soon be gone
Guide me twilight sun
I will follow you home

Earth is awakening
The grass is green
The rivers sing
She's calling for me

Shivering leaves
Songs of home

Twilight sun
Will soon be gone
Guide me twilight sun
I will follow you home

Twilight sun

Will soon be gone
Guide me twilight sun
I will follow you home

For you
I will return

If you don't return
I will leave a message
For you carved in stone

Twilight sun
Will soon be gone
Guide me twilight sun

I will follow you home

Twilight sun
Will soon be gone
Guide me twilight sun
I will follow you home
