One million crystals on the outside of my window
One single thought, a thought of missing you
But only one word from within me
Describes the thought without of you

Ice feathers on my window
Reveal a single thought
A painting of your eyes is a sign that you do know

One million crystals not enough to page your beauty
Beauty of your soul
300 days I counted
Almost a year, a mere of missing you

Ice feathers on my window
Reveal a single thought
A painting of your eyes is a sign that you do know

Once again waters change
Winter spell comes to life again

Ice feathers on my window
Reveal a single thought
A painting of your eyes is a sign that you do know

Ice crystals on my window
Hide frozen life inside
Ice storm outside these walls
But I feel my heart is warm
